

Welcome to Deerpark Nursing Home

Situated just 5km outside Tipperary Town, and only half an hour from Limerick city, Deerpark has been a family run nursing for over 20 years.

With landscaped gardens overlooking the Galtee mountains, residents and their families are immediately put at ease both by the peaceful location and the homely nature of the nursing home and its excellent staff.

This purpose built nursing home was designed to accommodate interconnecting corridors creating a safe and peaceful courtyard for residents to enjoy. The courtyard includes a patio area which is accessible to all residents at any time and enables the residents to grow herbs and vegetables and take part in gardening activities as part of their daily living. Alternatively they can just relax in one of the many seating areas and enjoy the fresh air and peaceful location.

We would very much like you to visit Deerpark to see for yourselves the level of service we offer. Mairead, Rhea or a member of staff will be happy to show you around. Visiting times are open, within reason of course, we love to see families popping in, like you would in your own home!

We place utmost emphasis on patient happiness and well-being. Our activities programme ensures a wide breadth of interests are catered for.

Local chiropodist and hairdressers attend regularly and on request, while our own 'pamper room' allows our staff give assistance with skin, hair and nail care, for that extra feel good factor we all need. We also have a physiotherapist who comes twice weekly, helping with specific requirements and group exercise.

Key Services

- 24 hour nursing care
- Dietician
- GP services
- Speech therapy
- 'Fit for Life' exercise programme
- Twice weekly physiotherapist visits
- Chiropody
- 'Pamper room'

Accommodation

Our rooms single and double all have WC access with some en-suites. TV and radio are available throughout. We have recently added seven beautiful en-suite rooms, all of which have TV, WiFi and telephone access if required.

The rooms are finished to an exceptionally high standard with spacious storage for personal belongings to help us ensure residents truly feel at home in their new surroundings.

Our sitting & dining rooms are easy to access and the unit's fine long corridors allow for exercise and walks on rainy days, to keep residents fit and active.

HIQA Registered for 33 residents

The nursing home is registered and approved with the Health Information and Quality Authority

Deerpark can accommodate adults over the age of 18 with physical, psychiatric and learning disabilities, and all age onset conditions.

Types of care
